Multi-Year Accessibility Plan – Year 2 – January 1st to December 31, 2015

Background

This Multi-Year Accessibility Plan was prepared in response to the Integrated Accessibility Standards (IASR) Regulation 191/11, under the Accessibility for Ontarians with Disabilities Act, 2005 (AODA).

Statement of Commitment

Community Living Owen Sound and District is committed to treating all people in a way that allows them to maintain their dignity and independence. The Association believes in integration and equal opportunity which is clearly reflected in the Association's Mission, Vision and Core Values. Therefore, in accordance with the IASR Regulation, all services provided by Community Living Owen Sound and District shall follow the principles of dignity, independence, integration and equal opportunity.

Accessibility Plan

In order to meet the accessibility requirements under the IASR Regulation, Community Living Owen Sound and District will identify, remove and prevent barriers*, making ongoing improvements, if/when necessary, to ensure access to all its facilities and services remain barrier free, including the continual improvement of Association policies and practices.

Specifically, the Association will:

- Consult regularly with staff and people with disabilities accessing our services to ensure they have opportunities to provide input on the accessibility of our services and facilities.
- Take measures to identify, remove and prevent barriers to persons with disabilities. These measures will be documented.
- Create an Accessibility Work Plan that includes a list of measures the Association intends to take, in any given year, to address any identified barriers (see Table A). Strategies developed/implemented to remove any identified barriers will be recorded in Table B.
- Review its Accessibility Plan annually. People with disabilities will be invited to participate in the annual review and development of revised accessibility plans.
- Conduct education regularly with Association staff, volunteers, and others agents that deliver our services to ensure adequate and appropriate accessibility of services and facilities is

Review/Monitoring Process

The Management Team will review the Association's Accessibility Plan 4 times a year (once a quarter).

The Plan will be reviewed jointly by a working group consisting of Management, staff (i.e. Joint Health and Safety Committee members) and people with disabilities once a year. Revisions to the Plan will be made at this annual review which in turn will establish the Accessibility Work Plan for the following year.

Communication of the Plan

The Association's Accessibility Plan will be readily available to all staff, the people and families it supports, as well as the general public on its website (www.communitylivingowensound.on.ca) or by calling the office and requesting a copy (519-371-9251).
